COUNTDOWN

Eight weeks out

WEEK	DO THIS	WATCH FOR
8	Lock the date, the room, and the running order.	School calendar conflicts, gym availability.
7	Send save-the-date to families.	Field trips already scheduled that week.
6	Confirm piano tuning, risers, and sound.	Tuning takes weeks to book.
5	Start program notes. One paragraph per piece.	Copyright for any recorded music.
4	Ask for volunteers (check-in, hallway, photos).	Background-check rules for volunteers.
3	Full run-through with staging, not just notes.	Students who do not know where to stand.
2	Send concert-day details: arrival, dress, pick-up.	Families asking “what time again?”
1	Print programs. Confirm the plan for absent students.	Printer quotas, missing risers.
